

# Yizkor - Book of Remembrance - 2010 (5771)

It is customary throughout the world for Jews to memorialize their loved ones during the High Holy Days. At the JCCP, we do this with our Book of Remembrance, which is distributed to our congregants and guests on Yom Kippur Day, this year on Saturday, September 18th.

To include the names of your departed loved ones, family and friends alike, please complete this form and return it to the Center office. **The deadline is August 1, 2010, and because of the preparation time required, the deadline cannot be extended.**
