

# Community Affairs's April Giving Month

## In Support of the Center for Food Action

Due to COVID-19, instead of collecting food like in past years, we are collecting money to help feed those in need, especially at this time and during the April holidays.

We are collecting funds through our Donations page (see below for directions), or mail your checks made out to JCCP/CBT with Food Drive in the memo to the shul.

### [How to make a donation using jccparamus.org:](https://www.jccparamus.org)

1. Click on "Donation" on the top right
2. Enter amount, then in the dropdown, select Community Affairs April Giving Month
3. Enter payment information
