Thanksgiving 2020: **Paramus Adopt-A-Family** November Giving Month

It is that time of year again when we express our gratitude for all that we have. As we have in past years, the JCCP/CBT is asking its members to “adopt” 25 Paramus families and supply them with Thanksgiving dinner, in partnership with the Paramus Community Pantry. We are pleased that our synagogue has always taken a leadership role in this important charitable event. This is especially important this year as so many are experiencing economic insecurity as a result of the COVID-19 pandemic.

By participating, you would purchase the items listed below and at a designated time deliver them to the Paramus Community Pantry, located at 105N Farview Avenue.

- ❖ Turkey (13-25 lbs.)
- ❖ Broth
- ❖ Stuffing mix
- ❖ Cranberry sauce
- ❖ Canned vegetables (corn, string beans....)
- ❖ Gravy mix
- ❖ Juice
- ❖ Dessert

Please join us in this great Mitzvah!

Thank You,
