

WHY IS THIS YEAR DIFFERENT THAN ALL OTHER YEARS?

A DISCUSSION ABOUT THIS YEAR'S SEDERS

It has been a year since we've locked ourselves in, began wearing masks and doing all that we can to stay safe. We hope to be turning the corner, but this Pesach will not be different from last year.

What are your thoughts about this year's holiday?

Join us to discuss, laugh, cry, kibbitz a little and think about what will be for our family seders this year on WEDNESDAY, MARCH 17 at 8:30 p.m.

The Four Questions (give it some thought - be creative!!):

Why on this night do we eat matza?

Why on this night do we recline?

Why on this night do we eat bitter herbs?

Why on this night do we dip twice?

BONUS: Why is our hair a different color this year than it is any other year?

The Ten Plagues (what has plagued you?):

No manicures, no earrings, glasses fogging up under our masks . . .

What's On Your Seder Plate This Year - A glass $\frac{3}{4}$ full?

Bring your *thoughts, more questions, more plagues* and . . .if you'd like - a glass of wine with some delicious matza brittle -**recipes are attached!**

We will be auctioning off a few beautiful items from our gift shop as well!!

As long as we can be together with family and friends - DAYENU!
