

ADOPT A FAMILY THANKSGIVING DRIVE COMMUNITY AFFAIRS COMMITTEE

As Thanksgiving draws near, it is time to think about those around us who have been affected by various difficulties and those we have supported in the past. Let's celebrate being thankful for all we have.

As we have for many years, the JCCP/CBT is asking members to "adopt" 25 Paramus families and supply them with Thanksgiving dinner.

You will be "adopting" a Paramus family that does not have the resources to purchase fixings for Thanksgiving dinner. Please consider purchasing the items listed below and then deliver them to the Paramus Human Services Department on Farview Avenue.

Turkey (13-25 lbs)
Broth
Stuffing mix
Cranberry sauce
Canned vegetables
Gravy mix
Juice
Dessert
